Unique and from the heart

We are proud to present the complete Eleonora collection including the fall/winter '24 items. A collection with variations on existing popular items such as the Helsinki cabinets, complemented by innovative designs that challenge you to take a step forward. A large number of own designs, created and designed by our in-house designers, makes the collection unique and right from the heart.

Warm and timeless

Light wooden furniture and the streamlined designs are two things that make this collection instantly stand out. The furniture is simplistic and softly rounded; crafted in wood, which ensures a warm and timeless piece of furniture that easily adapts to your lifestyle.

Distinguish yourself from the rest

The cabinets Ty, Renee and Milo and the tables Dion and Harmonie are some of the in-house designs of our fall/winter '24 collection that you surely want to discover. By choosing these pieces of furniture, you are not only choosing a contemporary design, but you are also distinguishing yourself from the rest.

Discover, experience and enjoy this collection from the heart.
